

Company	Table #	Description
<u>Alpine Scientific</u>	15	For All of Your Analytical Testing Needs
<u>Anton Paar USA</u>	3	Anton Paar USA Provides Alcohol, CO2 & Extract Measurement Methods in the Lab and in the Process
<u>Astoria-Pacific International</u>	14	Offering the Best in Automated Analyzers Since 1992
<u>Atago USA, Inc.</u>	18	World Famous ATAGO Refractometers, Perfect From the Field to the Lab
<u>Denver Instrument</u>	11	PH Meters, Dissolved Oxygen Meters, PH Electrodes, PH/TA, SO2 Analysis (Free & Total) by Titration Balances, Scales & Industrial Scales
<u>FOSS North America</u>	5	Introducing the Latest Quality Analysis Solution - The Oenofoss TM
<u>Gerstel, Inc.</u>	13	GC/MS, LC/MS Sample Introduction, Stand-Alone Workstations, Advanced Software Control
<u>Hach Company</u>	8	
<u>Hanna Instruments</u>	20	Hanna Instruments. Manufacturing Leader in Quality Instrumentation for the Wine Industry
<u>Mettler Toledo</u>	19	Wine Lab Testing Equipment
<u>Molecular Devices</u>	4	Molecular Devices is the #1 Supplier of Tunable Microplate Reader Systems to Academic, Pharmaceutical & Biotechnology Research Groups Worldwide
<u>Radox Laboratories</u>	7	Testing For Wine: Malic Acid, Glucose Fructose, Acetic Acid on Daytona
<u>Research & Development Glass Products & Equipment Inc.</u>	1	Fabricators & Repairers of Wine Laboratory Glassware Including RD 80 VA Still; RD 502 Apparatus; Macro Distillation (for alcohol determination); Wine Thieves
<u>Shimadzu Scientific Instr., Inc.</u>	2	Chromatography, Spectroscopy, FTIR, Environmental Monitoring, and Physical Measurement
<u>Unitech Scientific LLC</u>	6	Enzymatic Reagents, Chem Well Wine Analyzer, Brett Quick Test, Microbiology, D-O-Meters
